

**Subject:** Take your library with you

Hi [Name],

Would you like to make your research process smoother? We are here to help you.

The Lean Library browser extension provides free and easy access to library-subscribed resources wherever and whenever you decide to study. Using Lean Library, you'll spend less time searching for research materials and more time focusing on your studies.

**4 simple steps to get started:**

**Step 1:** Go to <https://technologyfromsage.com/downloadleanlibrary>

**Step 2:** Install the extension

**Step 3:** Select your institution

**Step 4:** Search for articles and journals, and enjoy quick access to all licensed resources

Happy researching!

Kind regards,
