

**Subject:** Simplify Your Research with Lean Library

Hi [Name],

Is your research process taking too much time? Lean Library streamlines your workflow, making it easier and quicker to discover free, high-quality resources.

**Why do researchers love Lean Library?**

1. Unlocks instant & legal access to millions of free academic papers
2. Streamlines access to library-subscribed resources
3. Integrates with your favourite research tools like Google Scholar and PubMed
4. Saves time and money searching for high-quality resources
