

Want to unlock instant access to resources?

Try Lean Library!

- Instant free and legal access to millions of Open Access papers and resources.
- Updates from your library so you can have a smooth journey researching online.
- The Alternatives feature will find out if a paywalled e-resource is available at a different location.
- Via Interlibrary Loan (ILL) you can order an article through the library.
- ToC alerts – to inform you by email when a new issue of a journal has been made available online.
- scite integration so that you can see how a scientific article has been cited and if it's been disputed by others.
